

# Ronda to Cueva del Gato

Mountain Bike - Easy

A short, easy ride, suitable for families and leisure riders, using a mixture of tracks and quiet roads through local countryside to a popular beauty spot known as the Cueva del Gato. We depart Ronda riding down into the valley and cross country to the cave which marks the end of the underground journey of thousands of litres of water which have poured down through the limestone mountains to create a waterfall and beautiful pool of crystal clear (but very cold!) water.
